Customer Telephone	Customer Email
Signed by Owner (or representative)	Date

1. When using Secure Supplies service, you are dealing with Secure Supplies Limited Dubai. In these terms references to “we” or “our” means Secure Supplies Limited. By asking Secure Supplies Limited to carry out a Scope of Works for Survey Design Supply of a Solution you agree that our work shall be governed by the following terms and conditions. Our contract with you is formed at the time of you making your appointment with us. Most but not all of the terms set out below are reproduced on the sales document that you (or your representative) will be asked to sign when we attend your Site, Community or Company

2. In the course of the Survey, Design Supply process, a controlled volume of hydrogen is introduced into the project ,and systems through your gas system or air intake, your equipment may suffer a fault through no fault of our technician or survey design supply Development service. You acknowledge that risk. If that happens, we will ask if you would like us to restart your equipment. If your equipment will not restart you will be liable for any costs incurred in having the vehicle recovered and repaired subject to clause 7 & 9 below.

3. Please be aware that having your engine turbine or factor or power gas equipment enhanced using the Secure Supplies process, may result in your equipment’s manufacturer’s warrantee being invalidated. You acknowledge that risk. If you have any questions regarding your manufacturer’s warrantee please contact your manufacturer. Secure Supplies Limited holds

certificates of no harm from a number motor manufacturers for information please call Mb + 1 520 848 1659 or write to Customer Services c/o Secure Supplies Limited at the address shown at the bottom of this page or email us using the following link Email [danieldonatelli1@gmail.com](mailto:danieldonatelli1@gmail.com)

4. Payments up front and in part. You agree to be responsible for the full cost of our Survey Design Supply Development work on your project.

In making arrangements to deliver our service to you, we incur business costs. You agree that we can immediately charge (i) for or in respect of these arrangements or costs and/or (ii) an up front part payment in respect of our service.

5. If the project owner is registered for VAT, the project owner agrees to pay VAT on our service. When you booked your appointment, you may have paid VAT calculated on the cost of the service we usually use for a vehicle like yours. If our work on your project requires us to spend more time on your project than we did not expect to use for the job, the price we charge and the VAT due from you may change. In that case, you agree to pay all additional costs and VAT due to us and we agree to refund our costs and VAT to the extent the amount you should have paid reduces.

6. The improvement to fueling options, emissions and/or additional engine power and/or fuel economy and/or future engine component reliability and or Power Production and Access that you can expect to enjoy once your project has been addressed using the Secure Supplies Services depends upon each individual project conditions, the fuel and lubricants used and the style of driving that the engine or turbine equipment, or Power Plant Equipment has experienced prior to the engine products & services taking place, therefore Secure Supplies Limited can make no guarantee with regards to these benefits.

7. A diagrammatic record of project damage existing on your site or equipment will be made by our technician before starting work on your project. We exclude all liability for repair of damage, whether visible or not, existing before we began to work on your project.

8. We will perform our service to the best of our ability at a time and location to be agreed between us. We reserve the right to change our appointment time with you for any reason. We will notify you in advance of any change to the agreed appointment

time. If you have a complaint about our service, please call Mb + 1 520 848 1659 or write to Customer Services c/o Secure Supplies Limited at the address shown in clause 16 (a) or email us using the following link [danieldonatelli1@gmail.com](mailto:danieldonatelli1@gmail.com) If we damage your property, we can but are not obliged to arrange its repair at no cost to you. If without our prior written approval you organize a repair yourself, we do not guarantee to pay the costs you incur.

9. Key limitations to our work:

10. You acknowledge that the cost to us of completing the project in the event that we damage it is likely to exceed the amount we are paid for our service. You agree that our total liability to you both for any service failure or project damage is limited to: (A) the total cost of repairing any damage we cause to your project; plus (B) for any period where your own project will be unavailable to you, at our choice, the cost to us of providing you with, or paying for, alternative means of project equipment or a replacement items of our choice (acting reasonably). Except as stated above, you agree that unless we have written to you to confirm otherwise before we begin work, you and Secure Supplies Industries Limited do not intend that Secure Supplies Limited reimburse or compensate you for loss of income, loss of use of your project, engine ,turbine ,vehicle or equipment costs or expenses incurred from loss of use of your project, engine ,turbine ,vehicle or equipment, loss of business or profits or pure economic loss or indirect or consequential loss suffered by you as a result of our work. We accept no responsibility for death or injury caused by our product or service use. Product and service use is dangerous and yours and your company's responsibility to ensure safety and well educated use to staff, and this safety responsibility falls upon the clients not the provider in this case of product service supply to you and your project. As we are a Contractor only. We expect you to get training and maintain trained staff to support the safety and precautions for operational use. And Except no responsibility for mis use or death , failure, mis configurations or injury caused by lack of training or mis use of these product and services.

11. Where payment for our work on your project will be made using a advised personal ,trade or company account, our trade/company terms will apply to our work in priority to the terms written above.

12. You agree that our privacy policy and policy on cookies as it or they appear from time to time on our website shall govern the handling of your personal information that we receive from you. If you wish to limit our right to use your personal information, please write to Data Protection c/o Secure Supplies Limited at the address shown below.

13. At Secure Supplies Limited, we are committed to reducing fraud made using credit cards. We reserve our right not to accept payment from you by debit or credit card where we suspect that by doing so a fraud may be perpetrated against us or the registered card holder.

14. Our terms of business and any dispute or claim arising out of or in connection with them or their subject matter (including non-contractual disputes or claims of any kind arising directly or indirectly) shall be governed by and construed in accordance with the laws of Delaware USA

15. The courts of Delaware USA will have exclusive jurisdiction over any claim arising from, or related to, our goods and services although we retain the right to bring proceedings against you for breach of these conditions in your country of residence or any other relevant country.

Consumer rights information

16. Any booking that you make with us by phone or online will be subject to The Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 (SI 2013/3134) (as amended from time-to-time). We are pleased to provide you with the following information in accordance with those regulations:

a. Secure Supplies Magazine , Hydrogen Hot Rods , Secure Supply USA and Secure Supplies are the trading names of Secure Supplies Limited, company whose registered office and head office location is at 2900 E Broadway Blvd 100 /182 Tucson Arizona USA Telephone number + 1 520 848 1659

You can contact us using the following link:

<mailto:danieldonatelli1@gmail.com>

- b. Secure Supplies Limited supplies survey design and development services and maintenance products.
- c. When we accept your booking we will provide you with a scope of works quote for our work including VAT, in doing so we make assumptions as to the extent of survey design and supply planning your project will require. If those assumptions prove to be incorrect, our costs of service and therefore our price will change to take account of our additional work. For example, we may have to extend the time of the survey design service. We reserve our right to adjust our price and, where applicable, the amount of VAT we charge you according to the goods and services we supply to you in the course of providing our service to you.
- d. We make no additional charge for delivery of the equipment that we will use in the course of providing our service. We accept payment over the telephone using most major debit or credit cards other than Diner's Club and American Express. We do accept personal cheques. We accept payments made through PayPal, Western Union and in cash.
- e. We will provide our service to you by appointment at a location agreed between us.
- f. Our contract with you is for the supply of Survey Design and Development Project services. Normally, under the Regulations, if you are a consumer, you will have a right to cancel our contract for 14 working days counting from the day after our contract with you was formed. When we are given the access to present to your team at in any location agreed mutually, the presentation (materials and our staff), we shall understand that to be your express consent to begin our work on survey design develop and project supply. Usually, that means we will have begun our work before the end of the usual cancellation period. Your cancellation rights under the Regulations will end when that work starts. You may cancel your appointment and receive a full refund of any monies that you have paid to us at any time before we commence work on your survey or presentations of the solutions and designs for the development of project. To cancel our service, please call us, contact us via our website or tell our team off leader before he starts work on your projects scope of works document. We do not require you to complete any special form to cancel your appointment. We recommend that the easiest way to cancel your appointment is to call us on Mb + 1 520 848 1659 . Please note that you may not cancel your appointment after we have commenced our work on your presentation, survey, design or development project planning. And we reserve all rights to recover payment for our service in circumstances where you attempt to cancel your appointment or require us to cease work on your project after our work has commenced.
- g. The validity of any price we offer you for our services is limited to the duration of the call during which the offer was made. Accordingly, we may refuse to honor a price offered to you where you do not agree to purchase the relevant service during the continuation of the call in which the offer was first communicated to you.
- h. Where we have taken any payment from you in the course of you making an appointment with us, we shall hold that payment

to your order until the moment we begin our work on your project. With effect from commencement of our work on your project, we reserve our right to retain for our account any payment you have made to us.
